

CERTIFICATIONS & AFFILIATIONS

VIVA Quartz offers a consistently beautiful design, requires no conditioning or polishing, is stain resistant, heat resistant, chip, and scratch-resistant, and requires low maintenance. Our products have been credited by National Sanitation Foundation and Kosher.

QUARTZ CERTIFICATIONS

NSF

Material suitable for food contact. NSF assures that a certified product, material, component or service complies with the technical requirements of the referenced standard.

Kosher Certification

We comply with a strict policy of kosher food laws, including cleanliness, purity and quality.

ISO 9001-2015

Certification based on the standard published by the International Organization for Standardization titled "Quality management systems-Requirements".

UL Greenguard

All VIVA surfaces comply with American GEI (GREENGUARD Environmental Institute) certification which primarily verifies that VIVA products meet the most stringent indoor air emission standards.

The logo for Breton, featuring the word "breton" in a bold, lowercase, red sans-serif font.

Breton

Product finishing with original Breton technology and free of volatile compounds.

Marble Institute of America

Marble Stone Institute of America provides excellence in the natural stone industry and recognizes companies demonstrating compliance with quality standards.

The CE marking, consisting of the letters "C" and "E" in a bold, black, sans-serif font.

CE

CE marking is a certification mark that indicates conformity with health, safety, and environmental protection standards for products sold within the European Economic Area (EEA).
